

SUNSPROUTS™ Guided Reading Series with the ESL/ELD Teacher's Resource Guide for Teachers (all levels)

Publisher: ETA/CUISENAIRE

Program Description: 240 SunSprouts® Titles with accompanying ESL/ELD Teacher's Resource Guide filled with instructional strategies and engaging lessons designed for English Language Learners. This series ensures literacy and language success for English Learners through books and instruction developed and carefully leveled for shared and guided reading. The Teacher Editions and ESL/ELD Teacher's Resource Guide help you match readers and lessons to the English proficiency and literacy levels of the English learners in your classroom. Twenty titles in each of twelve levels introduce readers to a range of text types, literary styles, and genres, including narrative and expository, as they learn skills and strategies for oral language, reading, and writing. Supportive text patterns, illustrations, repeated use of high-frequency words, and carefully designed instruction within SunSprouts® readers fully address the essential elements of reading – phonemic awareness, phonics, vocabulary (especially content area vocabulary), reading comprehension, fluency, and writing. The ESL/ELD Teacher's Resource Guide contains strategies for connecting social and academic oral language to literacy and assists the teacher in determining which skills are non-transferable from the students' primary languages.

SunSprouts books are leveled to Guided Reading Levels (Fountas and Pinnell), Developmental Reading Assessment (DRA), and Early Intervention in Reading Levels. SunSprouts titles are also available in Spanish.

In addition, SunSprouts' delightful characters, funny stories, and fascinating nonfiction give students a compelling reason for reading. Carefully constructed Big Books, leveled books, audiocassettes, puppets and comprehensive teacher support provide multiple opportunities for learners to actively engage in reading, listening and speaking—critical aspects of literacy that promote comprehension and fluency. Other SunSprouts features include: a variety of text types; fiction and nonfiction, award-winning authors and illustrators, stories with satisfying outcomes, informational texts that appeal to a range of interests, and memorable, recurring characters.

A comprehensive Teacher's Resource Guide for each level is included in each Classroom Package.. Each guide is filled with teacher support, management strategies, detailed lesson plans, blackline activity masters, and a Record of Oral Reading for each title. All titles are available in a 6-Pack, which includes individual Teacher's Notes, a six-page lesson plan with blackline masters, and a Record of Oral Reading. All five essential areas of reading instruction are built into every lesson plan: Before Reading, During Reading, After Reading, Assess Understanding and Skills and Strategies.

Developed specifically for guided reading, SunSprouts are carefully leveled for complexity of text. Teacher support materials help you match students to books based on instructional needs. Twenty titles in each level introduce readers to a range of text types, literacy styles, and genres as they learn skills and strategies for successful reading and writing. Levels are organized by color and are provided for comparison purposes only. Teachers are encouraged to evaluate the books and adjust the levels according to their own evaluation.
